

Exodus Bible-robics

Hebrews in Egypt
Multiply in Pharaoh's grip
Moses rises to Pharaoh's side
Kills and flees to Sinai-ide

Moses meets Jethro
the priest of Midian
Yahweh's bush
sends him back again

Moses meets Pharaoh,
"Let my people go"
Pharaoh gets hard,
Now the answer's "No"

Stick to snake
Nile to blood,
Firstborn die
with no Passover blood

Consuming fire
shows God's glory
Red Sea parts,
now sing that story!

Water from rock
Manna from skies
Jethro says
"Let others advise"

10 commandments
BIG LC SPAMS
Laws protect,
slaves and lands

Tabernacle's constructed
Golden calf's busted
Cloud comes down,
God's glory abounds.
