**1. Course Description:** Old Testament History, Literature and Theology examines Old Testament history and teaching within the cultural, geographical and literary backgrounds of the ancient Near East. Archaeology, comparative history and literature as well as key theological themes underlying the New Testament and Western culture are explored. The Old Testament is one of the great pieces of literature of all time. Its text will be explored to answer some of the great questions that have faced humankind for millennia.

 the different stages of faith and spiritual formation, and  
 the nature of sin and its consequences collectively and individually.

 “difficult” passages in the Old Testament, and  
 ask big questions (the meaning of life, death, suffering, destiny,  
 happiness, choices, etc.) of the text and pursue answers

## **4. Textbooks**

- 1) A Bible in an accurate translation (NIV, NLT, NRSV, NASB, KJV, NKJV, Net Bible are all good choices; I have prepared a DASV [Digital American Standard Version; vid. my website] which is available in text and audio on the web site). These and other versions are available online at [www.biblehub.com](http://www.biblehub.com), [www.biblegateway.com](http://www.biblegateway.com) and [www.eSword.net](http://www.eSword.net) among others.
- 2) **Digital resources:** All of the resources will be made available online in the form of course PowerPoints, video and audio. The professor is seeking to limit the cost for textbooks by constructing a web site that will make substantial OT resources available to students online for \$20. The point is to harness and provide access to the potential of the Internet technology for the benefit of our learning environment. This is going to be a multiple year project so your patience and

suggestions are requested as I attempt to build piece by piece this online resource. Some of the benefits are that these resources are available to anyone, at anytime from anywhere in the world (it also saves you over \$50 for textbooks). All resources have audio as well as printed materials.

For this course you need only consult the web "Old Testament Lit." [just Google "Ted Hildebrandt" pick Gordon College or use this URL:

[http://faculty.gordon.edu/hu/bi/ted\\_hildebrandt/index.cfm](http://faculty.gordon.edu/hu/bi/ted_hildebrandt/index.cfm)

It is a good idea to bookmark it.

The web site will have:

- Daily assignments listed
- DASV [Digital American Standard Version] text/audio
- Class interactive video/audio available
- Quizlet question sets for quizzes and exams.
- Getting Started with Genesis... readings
- Get Lost in Jerusalem Virtual Reality walk-thru\

If for some reason the Gordon website goes down you can also find most of these materials at [www.biblicalelearning.org](http://www.biblicalelearning.org) under Old Testament – Introduction -- Hildebrandt

Check your computer out: Load the free Adobe Flash Player then check these two links:

1) run Get Lost in Jerusalem

<http://biblicalelearning.org/introductory-languages/get-lost-jerusalem/>

2) And check out the interactive videos:

[https://faculty.gordon.edu/hu/bi/ted\\_hildebrandt/OTLit/Hildebrandt\\_OTLit\\_Videos/Hildebrandt\\_OTLit\\_ViQC\\_MC\\_Chopped/Hildebrandt%20OTLit\\_06\\_%20ImageGod\\_Trees\\_VQC\\_MC/story.html](https://faculty.gordon.edu/hu/bi/ted_hildebrandt/OTLit/Hildebrandt_OTLit_Videos/Hildebrandt_OTLit_ViQC_MC_Chopped/Hildebrandt%20OTLit_06_%20ImageGod_Trees_VQC_MC/story.html)

If the interactive videos don't work on your machine, just use the Youtube videos instead + the Quizlet study questions.

Blackboard will be used only for:

- exams/quizzes,
- Weekly article reviews, and
- grade posting.

The web site will also facilitate your exploration of topics beyond this course and beyond the walls of Gordon after you graduate. The online materials are also available to your friends and family if others want to see what you are learning. The readings including the DASV OT itself are available in multiple formats

(\* .doc, \*.html, \*.pdf) as well as audio (\*.mp3) for virtually all the readings.

**All students taking the course are required to purchase the course materials (\$20 cash for access to the materials). Payment should be made prior to the start of the class (not this COVID year, Merry Christmas).** Please take care of this before you leave campus. It will work better that way for both of us. You will not be able to take the first Saturday exam unless payment has been received prior to Saturday May 26. In short, please take care of this as I don't want to have to chase you down. I do not make anything personally from this. The funds are used to develop more materials for the OT/NT courses so they can be provided cheaply to students and others in digital formats.

**If you are off campus send payment to:** Dr. Ted Hildebrandt, Gordon College, 255 Grapevine Rd. Wenham, MA 01984.

#### 4. Course Policies

- A. Students are expected to complete the daily assignments online in terms of doing the daily readings [Bible; Getting Started With...], interactive video viewing and quiz interactions as well as Bible Quizzer preparations etc. Much of this course is asynchronous and can be completed at your own pace, your own place and time. This is an intensive course so there will be daily assignments.
- B. **All quizzes** must be taken on time and are due by 2:00 AM that night] it is assigned for. Missed quizzes or exams will be assessed as to whether they are excused or unexcused. Unexcused misses will result in an automatic 30% deduction for that quiz. A late quiz must be made up by the next day after that they will not be accepted. This is an intensive course and things must be done at the designated times.

#### **Quizzes will be given on M/W/F evenings before 2 AM.**

The quizzes will generally be over the Bible Quizzer/Quizlet, the biblical text and Getting Started with series. I will also ask you if you have gone and listen to or watch the Interactive video as specified in the daily assignments.

- C. **All exams must be taken on time (Saturdays).** There will be four exams that will be on Saturdays. The questions for these exams will be derived from the Interactive Video/Quiz Combo/Quizlet.com web pages and basically over the video lectures. A missed exam will be deducted 30% in order to make it up.

In short:

- 1) **Quizzes:** (MWF) will be over the Bible reading, Bible Quizzer, and Getting Started with... readings and Get Lost in Jerusalem.
- 2) **Exams:** Saturdays/Sundays will be over the interactive video lectures with questions pulled from the interactive quiz section.

## 5. Integrity

This is a class in biblical studies. Integrity is at the heart of what is being learned. Thus any cheating or plagiarism will result in an automatic failure of the whole course. If you are unclear what falls into the category of plagiarism check in the Student Handbook pp 8f. and/or contact me.

Each quiz and exam will have an integrity statement that the exam/quiz was completed without the use of any external helps (hard copy or digital).

Quizzes and exams are to be completed without any external aids (computers, phones, notes or helps of any kind).

- 7. Students with Disabilities:** Students with disabilities who need academic accommodations must speak to professor and also inform him **in writing** regarding the nature of the disability and the request for specific accommodations within the second day of class. Ann Seavey from the Academic Support Center must be made aware of and approve in writing the accommodations requested. Students are also responsible for making sure documentation of the disability is on file in the Academic Support Center. See Ann Seavey, Jenks 412 Ext 4746. Failure to register in time with the Professor and have the ASC approve the desired accommodations will compromise our ability to provide the desired accommodations.

- 8. Technology accessibility:** Your PC/Tablet/phone should be able to access the following technologies.

Web pages in a browser (IE, Safari, Chrome; Firefox won't play the mp4 videos so be careful with it). HTML 5

Videos: Flash and mp4 videos

Text: HTML, Acrobat (\*.pdf)

Audio: \*.mp3

Gordon: Blackboard access (grades, quizzes/exams)

Load: Free Adobe Flash Player onto your computer (Flash doesn't work on iPhones) Google: Adobe Flash Player to get the free download

Email is probably the best way to get a hold of me:

[ted.hildebrandt@gordon.edu](mailto:ted.hildebrandt@gordon.edu)

**9. Tentative Evaluation Percentages: generally I begin my curve with the following**

**100-92 [A/A-]**  
**91-82 [B+-B-]**  
**81-70 [C+-C-]**  
**69-65 [D]**  
**65-0 [F]**

**Quizzes** over biblical readings, Bible Quizlets, Getting Started with series and Get Lost.

I will also ask you if you've done the Interactive Videos :

50% (M/W/F)

**Exams:** Saturday mornings over video content

50% (Sat/Sun)

Grades will be posted on Blackboard.

**10. Assignments:**

**Summary:** Basically there are 5 things we will do to come to grips with the text and meaning of the Old Testament:

- 1) Read the biblical text –on quizzes (MWF). Use the Bible Quizzer to prepare as the quiz questions will be drawn from the “Beginning” level of the Bible Quizzer or Quizlet.
- 2) Read the “Getting Started with X” series; on quizzes (every other day)—
- 3) Do the Interactive Video/Quiz combos for the 26 lectures; exams (Saturdays)
- 4) Exploring Get Lost in Jerusalem (HTML5/Flash) when we get to David in 1 and 2 Samuel.

The **web site has priority** over this printed document. Always check the web site for assignments.

- 11. Synchronous versus non-synchronous:** Much of this course will be able to be done on your own (Bible reading/Bible Quizzer/Getting Started with ... readings) any time in the day you want. Exams and quizzes must be done on the days listed but it is up to you when on that day you do them. The day changes at 12:00 mid-night assignments often done by 2 AM Eastern Standard time USA.

The assignments are timed on that so if something is not in on that date it is late. This is an intensive course so do everything you can not to get behind as if you miss taking a quiz/exam it is gone.

- 12. Gordon workload statement:** For each semester hour of credit, students should expect to spend a minimum of 2-3 hours per week outside of class in engaged

academic time. This time includes reading, writing, studying, completing assignments, lab work, or group projects, among other activities.
